

# Sea Camp Hawaii

## Reef Fish & Eels

This week-long day camp includes beach excursions, fun in the pool, snorkeling and diving! To safely explore the underwater world, students participate in the PADI Skin Diver course and try SCUBA with the PADI Bubblemaker or PADI Discover Scuba Diving programs. For kids who love animals, there's an in-depth study on butterflyfish, parrotfish, wrasses, moray eels, endemic species and more using John Hoover's book *Hawaiian Reef Fishes*. Students also participate in the AWARE Kids program from Project AWARE Foundation and do a beach clean up. Underwater photography will also be introduced. Take all six Sea Camps and receive the Jack's Diving Locker Hawaiian Marine Life Ambassador Award.

### **Hawaiian Marine Life Ambassador Award**

Upon successful completion of all six Sea Camp Hawaii programs, participants are awarded the Jack's Diving Locker Hawaiian Marine Life Ambassador Award. Recipients of this award will have their names engraved on a plaque at Jack's Diving Locker and receive a certificate of completion.

All courses include instruction by PADI certified Instructors and Divemasters. All camps follow PADI course outlines. PADI is the Professional Association of Diving Instructors -- the world's largest scuba certification agency. Please register at Jack's Diving Locker in advance. All new campers should schedule an orientation with Wendy Laros, Director of Education prior to first camp. Cancellations must be made 72 hours or more in advance or charges will be incurred. Minimum 3 / Maximum 12 students.
