

Divemaster Course

Transform your Life!

In search of an escape from the ordinary? Do you like adventure? Do you like to work with people? Becoming a professional scuba diving leader might be just the career you are looking for. The Divemaster course at Jack's Diving Locker is the training program you need to transform your life! The PADI Divemaster course is the first step in your new career as a diving professional. Divemasters supervise a variety of dive activities such as guiding certified divers on underwater tours and assisting instructors with student divers. The Divemaster course at Jack's Diving Locker involves a combination of knowledge development, diving skills, and stamina testing along with an extensive internship program in *real courses* with *real students* in *real diving* situations. Students benefit from the teachings of seasoned PADI Instructors who have years of experience and practical knowledge. The course also includes guiding snorkelers on Kona's famous Manta Ray Night Dive along with the JDL exclusive Boat Charter Skills training program and 3 days of additional boat dives. The Jack's Diving Locker Divemaster schedule is for students participating in the e-Learning option.
