

IDC Staff Instructor Course

Enhance your professional credentials while learning how to teach professionals with the PADI IDC Staff Instructor Course. This training prepares you to teach the PADI Assistant Instructor course and to staff the PADI Instructor development program. This course will further your teaching abilities and develop your evaluation and counseling skills through independent study, classroom sessions, guided training, and an internship. Upon successful completion of this course, IDC Staff Instructors can independently teach and certify PADI Assistant Instructors at PADI 5 Star Dive Centers or Resorts, conduct IDC training segments with a Course Director, and evaluate instructor candidate knowledge development and skills. The IDC Staff Instructor certification is a prerequisite to the PADI Master Instructor rating, the highest PADI professional rating before becoming a Course Director.
