

Instructor Development Course with eLearning

Jack's
Diving Locker
Kona, Hawaii

A New Career filled Adventure and Fun!

Jack's Diving Locker is the place to go for your professional training and certifications. Attain the credentials you need to start your amazing new career of adventure and fun. With the **Instructor Development Course (IDC)** at Jack's Diving Locker you will experience first hand the exhilaration of becoming a dive leader and scuba instructor while training in tropical paradise. A **PADI Open Water Scuba Instructor** is a leader in diving education and teaches a variety of PADI scuba certification courses from beginners to advanced levels. During the IDC, candidates will work on knowledge development, confined water skills, and open water skills in workshops and by doing presentations. IDC candidates prepare for the Instructor Examination (IE), a test administered by PADI. In addition to the IDC, candidates can do 2 days of complimentary boat diving as part of their course to observe what the Pros do. The Jack's Diving Locker IDC schedule is for candidates participating in the PADI e-Learning option. Custom schedules upon request.
